Dear Mr. Coolidge,

It is our pleasure to participate in the Tap Root Cultural Exchange Program and to cooperate with your American NGO, ATAYAL. Our school has a special program for indigenous students, and we think that your program will enhance our students' education by allowing them to interact with Austronesians from other Pacific countries and to facilitate the younger generation to discover their indigenous identity.

We agree to offer your group of 12 people accommodation for one night on Sunday, December 15, 2013. We will also organize a reception, performance, and opportunities for student interaction.

We look forward to working with ATAYAL in promoting cultural exchanges in the months to come. If you require further assistance, please contact Ms. Ying-Mei Chiang, 886-2-24982028#600.

Sincerely,

Mei-chen Lin
